**COURSE CO ORDINATORS -** Jaya  
Educational trust

## COURSE OUTLINE:

This course will guide the student for preparing and delivering effective presentations. In colleges, conferences and in public gathering, the professional students are often called upon to deliver a lecture. For the students who don't know how to deliver an effective presentation, this course is designed to help them shine and succeed in such a situation.

Final assessment: Group discussion and Viva voce

## COURSE PLAN :-
