15.03.2018

Ragas dental college and Hospital is a pioneer institution serving the students to undergo under graduate and Post graduate education for the past 30 years. Students from our institution have been practicing and in teaching all over India. Many students have moved abroad and are into research and clinical practice adding more laurels to the alma mater. Similarly many students have come from many foreign countries to persuade education in our institution till 2017. After admissions are made mandatory through NEET, scope for international students to join has ceased. But this international student cell has been added to Alumni body to help the passed out international students to obtain guidance in academic related issues. The Alumni body coordinates with the institution office to make the process smooth and fast.
