## STUDENTS PROCEEDING TO HIGHER EDUCATION

Ragas dental college and Hospital is a pioneer institution which helps the students who wants to persuade under graduate and post graduate education in the field of dentistry. Every year many students graduate from our institution in which few opt out for clinical practice and rest move on for higher education. After under graduation, Bachelor of Dental surgery, they appear for NEET exams and get placement for the Master of Dental Surgery. Many of our Alumni have got Post graduation seats in Dental colleges all over India. Our alumni have excelled in the competitive exams and few have topped the exams too.

Since Master of Dental Surgery is the highest degree awarded in our country many students after finishing it choose either Academics or opt for clinical practice. Few join PhD in their field of interest in colleges and universities of their choice. Our institution helps all students who want to persuade higher education in all possible way.
